Satisfied Educators

"The kb89 book stands hold the books so straight! Even the kids have commented how much better and easier the books are to read! I have been recommending your products to everyone I come in contact with in both the education field and not! Thanks again."

C. Thibodeaux, Atwater High School, CA

"I recently purchased a couple of class sets of the PETG kb89 keyboarding stands. I am extremely pleased at how well they hold the books open and how much easier the books are to read."

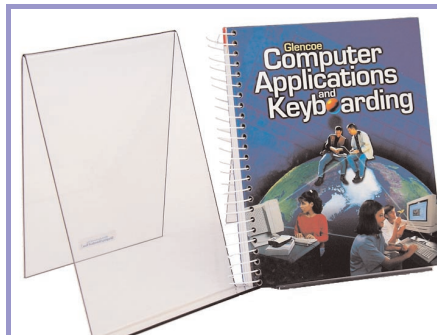

Kristin Porter, Iberia Parish School, LA
